

Girl Can't Help It

Journey

If he could hold her so close in his arms again
If she could show him the letter her heart forgot to send
Why they're livin' dreams on their own
Ooh they'll never stop running

Girl can't help it she needs more
He hasn't found what he's lookin' for
They're still standing in the rain
He can't help it and she's just that way

When he calls her she tells him that she still cares
Under the moonlight he wonders why she can't be there
Why why do they go on alone
When they're missin' each other

Girl can't help it she needs more
He hasn't found what he's lookin' for
They're still standing in the rain
He can't help it and she's just that way

Girl can't help it she needs more
He hasn't found what he's lookin' for
They're still standing in the rain
He can't help it and she's just that way

Ooh there's a fire in his eyes for you
(Don't you know she still cries)
Ooh do you know she still cries for you

Ooh there's a fire in his eyes for you
(She still cries)
Ooh there's a fire in his eyes for you
Oh nothing stands between love and you
