C G/B Am F C
1. From the first day... I envisioned myself with you
G/B Dm B
It's so hard to wait but with you it was easy to do
C G/B Am F C
Somewhere in time... I knew I would find you here
G/B Dm F
With every passing moment I see forever so clear
B F/A
Part of me was lost without you
C G/B
You are where I found my faith
B F/A C
Feels like love is here to stay

D A/C#
R1: When I look in your eyes baby
Bm G D
I see a lifetime of dreams come true
A/C# Em C
And I want you to say that you feel the same way too
D A/C#
The stars in your eyes tell me
Bm G D
All my tomorrows will wait for you
A/C#
You're all of my prayers answered
Em C
My one saving grace is you

C G/B Am F C
2. In another life... I believed that I loved you then
G/B Dm F
If lightning strikes twice we are destined together again
Bm F/A
We don't have to make a promise
C G/B
We were always meant to be
B F/A C
It's written in the way you look at me I see

R1: When I look in your eyes baby...

Bm A
*: Love moves at the speed of light
G Em
Takes years to get it right
Bm A G Em
But we've got till the end of time
