

# Dissident Aggressor

Judas Priest

Grand canyons of space and time universal  
My mind is subjected, subjected to all

Stab, bawl, punch, crawl  
Hooks to my brain are well in  
Stab, bawl, punch, crawl  
I know what I am, I'm Berlin

Through cracked, blackened memories of unit dispersal  
I face the impregnable wall

Stab, bawl, punch, crawl  
Hooks to my brain are well in  
Stab, bawl, punch, crawl  
I know what I am, I'm Berlin

Exploding, reloading, this quest never ending  
Until I give out my last breath

I'm stabbing and bawling, I'm punching and crawling  
Hooks to my brain are well in  
I'm stabbing and bawling, I'm punching and crawling  
I know what I am, I'm Berlin
