

Heading Out to the Highway

Judas Priest

Hit'em boys
Well I've said it before, and I'll say it again
You get nothin' for nothin', expect it when
You're back seat drivin' and your hands ain't on the wheel
It's easy to go along with the crowd
And find later on that your say ain't allowed
Oh that's the way to find what you've been missin'

So I'm heading out to the highway
I got nothin' to lose at all
I'm goin' to do it my way
Take a chance before I fall
A chance before I fall

You can hang in a left or hang in a right
The choice it is yours to do as you might
The road is open wide to place your biddin'
Now, wherever you turn, wherever you go
If you get it wrong, at least you can know
There's miles and miles to put it back together

And I'm heading out to the highway
I got nothin' to lose at all
I'm goin' to do it my way
Take a chance before I fall
A chance before I fall

Makin' a curve or takin' the strain
On the decline, or out on the wain
Oh everybody breaks down sooner or later
We'll put it to rights, we'll square up and mend
Back on your feet to take the next bend
You weather every storm that's comin' at cha

And I'm heading out to the highway
I got nothin' to lose at all
I'm goin' to do it my way
Take a chance before I fall
A chance before I fall
