

Any Way That You Want Me

Juice Newton

If it's love that you want, baby, you got it
From the depths of my soul, baby, you got it
But I been watching you and I don't think that's your game
There's no need to explain

Any way that you want me
Any way that you'll take me
Any way that you'll make me be a part of you
Any way at all
Any way that you want me
Any way that you'll take me
Any way that you'll make me be a part of you
Any way at all

If there are dreams in your heart, love lasts forever
From the depths of my soul, I'll make them come true
But I been watching you and I don't think that's your game
And there's no need to explain

Any way that you want me
Any way that you'll take me
Any way that you'll make me be a part of you
Any way at all

Any way that you want me
Any way that you need me
Any way that you'll let me be a part of you
Any way that you'll love me
Any way that you need me
Any way that you'll let me be a part of you
Any way that you want me
