I can see you in my eyes and know you..

I can see with my eyes you know a lot to..
I can see with my eyes you know a lot to..
no one I can see that in the dark..

no one I can see you yeah in my eyes to ..your heart

I can see with my eyes you know a lot to..
I can see with my eyes you know a lot to..

I can see with my eyes you know a lot to..
I can see with my eyes you know a lot to..
