

Moni mon amie

Julia Holter

That is a song song
Of the ...
But i give you do it
Singing .. closer to the .. are far
Will you come go will you come go
Will you come go will you come go with me
Will you come go will you come go
Will you come go will you come go with me
Will you come go will you come go
Will you come go will you come go with me
I wait in my heart i wait for .. patiently
wait in my heart i wait for .. patiently
wait in my heart i wait for .. patiently
many moves I don't see
many moves I don't see
many moves I don't see
many moves I don't see
a heart blues skip .. skip
this three words to you
nothing in my .. could you feel it .. inside me
nothing in my .. could you feel it .. inside me
Will you come go will you come go
Will you come go will you come go with me
Will you come go will you come go
Will you come go will you come go with me
Will you come go will you come go
Will you come go will you come
nothing in my .. could you feel it .. inside me
nothing in my .. could you feel it .. inside me
