

# I Wish You Love

Julie London

Goodbye, no use leading with our chins,  
this is where our story ends,  
Never lovers ever friends.

Goodbye, let our hearts call it a day,  
But before you walk away,  
I sincerely want to say.

I wish you bluebirds in the spring,  
To give your heart a song to sing,  
And then a kiss, but more than this,  
I wish you love.

And in July a lemonade  
To cool you in some leafy glade  
I wish you health,  
But more than wealth,  
I wish you love.

My breaking heart and I agree  
That you and I could never be,  
So with my best,  
My very best,  
I set you free.

I wish you shelter from the storm,  
A cozy fire to keep you warm,  
But most of all, when snowflakes fall,  
I wish you love.

But most of all, when snowflakes fall,  
I wish you love.  
I wish you love.  
I wish you love, love, love, love  
I wish you love.

I really wish you Love
