

In the Wee Small Hours of the Morning

Julie London

In the wee small hours of the morning
While the whole wide world is fast asleep
You lie awake and think about the girl
And never even think of counting sheep

When your lonely heart
Has learned it's lesson
You'd be hers if only she would call
In the wee small hours of the morning
That's the time you miss her most of all

When your lonely heart
Has learned it's lesson
You'd be hers if only she would call
In the wee small hours of the morning
That's the time you miss her most of all
