

When You Tell Me That You Love Me

Julio Iglesias

I wanna feel this way longer than time
I wanna know your dreams and make them mine
I wanna change the world only for you
All the impossible I wanna do

I wanna hold you close under the rain
I wanna kiss your smile and feel your pain
I know what's beautiful looking at you
You're in a world of lies, you are the truth

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

I wanna make you see just what I want
Show you that loneliness and what it does
You walked into my life to stop my tears
Everything's easy now, I have you here

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

In a world without you
Without you, I will always hunger
All I need is your love to make me stronger, yeah

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

When you tell me that you love me
When you tell me that you love me
When you tell me that you love me
