Stupidisco

Junior Jack

Make your move, cross the line Make your move, cross the line Make your move, cross the line

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Make your move, cross the line Make your move, cross the line Make your move, cross the line Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me

Baby, make your move Step across the line Touch me one more time Come on, stab me
