

## 2 Much

Justin Bieber

Injustice anywhere is a threat to justice everywhere

Maybe I stare too much  
Maybe not long enough  
Funny how I forget to blink  
But when you let down your hair  
Dancin' like no one's there  
I know I'm where I'm s'posed to be  
I say I love you under my breath  
More times than you can digest  
It's music every time I hear your name  
Your head's layin' right on my chest  
Sun's up and I still ain't got no rest

Don't wanna close my eyes  
I'm scared I'll miss too much  
Don't wanna fall asleep  
I'd rather fall in love  
When I can't feel you I feel out of touch  
Two seconds without you's like two months  
Don't wanna close my eyes  
I'm scared I'll miss too much  
Don't wanna fall asleep  
I'd rather fall in love  
'Cause eternity with you ain't long enough  
Two seconds without you's like two months  
And that's too much

I love the way you love your mom  
And take on all your friends problems  
And still somehow stop the world for us  
I still relive the second  
I met my biggest blessing  
Prayed for you look what God has done

Say I love you under my breath  
More times than you could digest  
Music every time I hear your name  
Your head's laying right on my chest  
Sun's up and I still ain't got no rest

Don't wanna close my eyes  
I'm scared I'll miss too much  
Don't wanna fall asleep  
I'd rather fall in love  
When I can't feel you I feel out of touch  
Two seconds without you's like two months  
Don't wanna close my eyes  
I'm scared I'll miss too much  
Don't wanna fall asleep  
I'd rather fall in love  
'Cause eternity with you ain't long enough  
Two seconds without you's like two months  
And that's too much
