Yeah..
Once again,
The dynamic duos is back again!

Jb, luda!
I love everything about you,
You're imperfectly perfect!
Everyone's itching for beauty
But they're just scratching the surface.
Lost time is never found,
Could the DJ please reverse it
In life we pay for change
Let's make every second worth it!
Anything could work if you work it
When people say you don't deserve it
Then don't give in, cuz hate may win some battles
But love wins in the end!
You shine just like the sun
while the moon and the stars reflect your light
Beauty evolves around you
It's only right that..

R: All around the world...
