

# Fall

Justin Bieber

Whoa, ooh  
Well, let me tell you a story  
About a girl and a boy  
He fell in love with his best friend  
When she's around, he feels nothing but joy  
But she was already broken, and it made her blind  
But she could never believe that love would ever treat her right

Did you know that I loved you or were you not aware?  
You're the smile on my face  
And ain't going nowhere  
I'm here to make you happy, I'm here to see you smile  
I've been wanting to tell you this for a long while

What's gonna make you fall in love?  
I know you got your wall wrapped all the way around your heart  
Don't have to be scared at all, oh, my love  
But you can't fly unless you let yourself,  
You can't fly unless you let yourself fall

Well, I can tell you're afraid of what this might do  
Cause we got such an amazing friendship and that you don't wanna lose  
Well, I don't wanna lose it either  
I don't think I can stay sitting around while you're hurting babe, so take my hand

Well, did you know you're an angel who forgot how to fly?  
Did you know that it breaks my heart every time to see you cry  
Cause I know that a piece of you's gone  
Every time he done wrong I'm the shoulder you're crying on  
And I hope by the time that I'm done with this song that I figure out

What's gonna make you fall in love?  
I know you got your wall wrapped all the way around your heart  
Don't have to be scared at all, oh, my love  
But you can't fly unless you let yourself,  
You can't fly unless you let yourself fall

I will catch you if you fall  
I will catch you if you fall  
I will catch you if you fall

But if you spread your wings  
You can fly away with me  
But you can't fly unless you let your...  
You can't fly unless you let yourself fall

What's gonna make you fall in love?  
I know you got your wall wrapped all the way around your heart  
Don't have to be scared at all, oh, my love  
But you can't fly unless you let yourself,  
You can't fly unless you let yourself fall,

So fall in love (in love)  
I know you got your wall wrapped all the way around your heart  
Don't have to be scared at all (don't have to be scared, don't have to be scared at all), oh, my love

But you can't fly unless you let yourself,  
You can't fly unless you let yourself fall

I will catch you if you fall  
I will catch you if you fall  
I will catch you if you fall

If you spread your wings  
You can fly away with me  
But you can't fly unless you let your... let yourself fall
