

# Hold On

Justin Bieber

You know you can call me if you need someone  
I'll pick up the pieces if you come undone

Painting stars up on your ceiling 'cause you  
Wish that you could find some feeling, yeah, you  
You know you can call me if you need someone

I need you to hold on  
Heaven is a place not too far away  
We all know I should be the one to say we all make mistakes (We all make mistakes)  
Take my hand and hold on  
Tell me everything that you need to say  
'Cause I know how it feels to be someone  
Feels to be someone who loses their way

You're looking for answers in a place unknown  
You need the connection but you can't get close (Can't get close)

Painting stars up on your ceiling 'cause you  
Wish that you could find some feeling, yeah, you  
You know you can call me if you need someone

I need you to hold on (Hold on)  
Heaven is a place not too far away (Away, yeah)  
We all know I should be the one to say we all make mistakes (We all make mistakes)  
Take my hand and hold on (Oh, oh, ooh-woah, ooh-woah, oh)  
Tell me everything that you need to say  
'Cause I know how it feels to be someone  
Feels to be someone who loses their way

Midnight 'til morning  
Call if you need somebody  
I will be there for you (I will be there for you)  
Midnight 'til morning  
Call if you need somebody  
I will be there for you

I need you to hold on  
Heaven is a place not too far away  
We all know I should be the one to say we all make mistakes (We all make mistakes)  
Take my hand and hold on (Oh, oh, ooh-woah, ooh-woah, oh)  
Tell me everything that you need to say  
'Cause I know how it feels to be someone  
Feels to be someone who loses their way

Midnight 'til morning  
Call if you need somebody  
I will be there for you (Oh yeah, yeah)  
Midnight 'til morning  
Call if you need somebody  
I will be there for you
