

# I'd Want It to Be Yours

Justin Moore

Looks like two cute little pigs in a toe sack  
I'm telling you right now, baby you got back  
You're shaking it low at a country show  
Everybody's saying whoa whoa  
Just look at that bobo  
I know you know

You're a little bit of J-Lo  
A little bit of Kim Kardashian  
It's big, it ain't tiny, I'm diggin' that hiney  
It's a classy one  
Might be a bullshitter  
But I ain't no ass kisser  
'Least I've never been one before  
But if there's anybody's ass I'd kiss  
I'd want it to be yours, whoa, whoa, whoa

Hate to see you go but I love to watch you leave girl,  
Those Daisy Dukes and boots are rockin' my world  
Even Snoop D.O. Double G would be jealous of me in this Chevy  
When you're on this bench seat  
'Cause girl your booty's

A little bit of J-Lo  
A little bit of Kim Kardashian  
It's big, it ain't tiny, I'm diggin' that hiney  
It's a classy one  
Might be a bullshitter  
But I ain't no ass kisser  
'Least I've never been one before  
But if there's anybody's ass I'd kiss  
I'd want it to be yours, whoa, whoa, whoa

Those watermelons you got shoved in your pants  
Make me wanna take a bite when you dirty dance  
36-24-39  
Girl your behind is

A little bit of J-Lo  
A little bit of Kim Kardashian  
It's big, it ain't tiny, I'm diggin' that hiney  
It's a classy one  
Might be a bullshitter  
But I ain't no ass kisser  
'Least I've never been one before  
But if there's anybody's ass I'd kiss  
I'd want it to be yours, whoa, whoa, whoa  
Oh I'd want it to be yours, whoa, whoa  
I'd want it to be yours
