

Til My Last Day

Justin Moore

People say I'm just a rough boy
I ain't no good for you girl
It's a dead end street, tryin' to love me
Yeah, I'll wreck your world
I can see why they're all talkin'
Lookin' back at my past
I've got a bad name, but a man can change
I'm livin' proof of that

Til my last day, til my last breath
Of everyone that can, I can love you the best
Til my last day, I'll be lovin' you
All the way up, til they lay me down
Six feet under the cold hard ground
Til my last day, I'll be lovin' you

Baby I might meet all my friends
Shoot the bull, have a beer or two
But you know I'll be the first one to leave
In a hurry to get to you
Somewhere deep inside your angel eyes
I found a place to rest,
Don't ever doubt that I'll be around,
And baby don't you ever forget

Til my last day, til my last breath
Of everyone that can, I can love you the best
Til my last day, I'll be lovin' you
All the way up, til they lay me down
Six feet under the cold hard ground
Til my last day, I'll be lovin' you
Darlin' yes I will

Til my last day, til my last breath
Of everyone that can, I can love you the best
Til my last day, I'll be lovin' you
All the way up, til they lay me down
Six feet under the cold hard ground
Til my last day, I'll be lovin' you
Oh babe, til my last day
