

Sail Away Momma

Justin Nozuka

Sail away momma, oh momma
Sail away momma, oh...
Sail away momma, oh...
With the rays momma, oh...

We've come along way
Meadows to our days

With the rays momma, oh momma
Sail away momma, oh...
In a way momma, oh...
Yeah, we go momma, oh...

Weren't you brave
A flood rush through the gate

Sail away momma, oh...
A rush of rays momma, oh...

To run rise over head
To calm eyes and the dead
