

Asking Me, Asking You

Justyna Steczkowska

I'm calling you, calling you
My baby
I'm trying to, trying to
Find you
I'm staring at, staring at
The mirror
I'm asking me, asking you
Where are we, tell me
Where have you gone

Do you know,
Baby,
do you know?

I'm calling you
My baby
I'm missing you,
My love
I'm stuck in here,
Where are you, where are you
I'm calling you, calling you
My baby, baby...
