[Hook: Juvenile] I'm about to bounce back b-bounce bounce back I'm about to bounce back b-bounce bounce back Bounce back bounce back b-bounce back I'm about to bounce back bounce b-bounce back Bounce back bounce back b-bounce back I'm about to bounce back b-bounce bounce back Bounce back bounce back b-bounce back I'm about bounce back bounce b-bounce back [Verse 1: Juvenile] You ever had corns on your fingers from squeezing the mack to much Nigga be rhyming the dice game where me and lil wack grew up Tripping stolen strip cars for a living Stayed away from home when ever they was bitchin We used to rush the customers for sales when they pull up in cars Until undercovers started putting us behind bars Menace to society is all we watch In the back seat straped with the throw away Glocks I got some partners in the business never seeing the light Your people would got ya Cochran if your cheese be right You know I've been holding it down playa you a dog I'm a real nigga I ain't gonna stop accepting your phone call I'm a blow and toss a ho for you, like I'm supposed to do I'm serious and focused too, you know I'm overdue The first nigga to park a Rolls Royce in the bricks While I fly private jet out of town by a bitch [Hook] [Verse 2: Juvenile] Tryin to be here to see my seeds, when they have they seeds Long as I breathe ain't nothin in this world that they can't be Yeah I done fucked up, slipped and sniffed that coke Started tweakin and broke in them people house next do' Shot a nigga for smokin rocks on my mom back porch Damn near graduated and got on that dope My, work is an art, I am better than smart Homey I hustle with a strategy that's never been taught I can make the coke flip, I can make a ho strip, I can spray the whole clip I take nothing from no bitch I got the money in the case, 45 in the waist Pitbulls in the yard so stay away from my gate Could you believe a nigga feelin like he still ain't ate? Huh, y'all don't understand you shoulda seen my plate Would love to give you some credit, but even you said it Be serious about your money and right now I'm tryin to get it [Hook] [Verse 3: Baby] I'm on a mission lil' daddy Put this paint on the caddy Nigga ridin threw the hood and we blowing on candy Stay G'd up from my head to my feet I was raised in the 3rd that's the heart of the streets

Saw death and crime for the first same time

Them rims on shine just a vision of mine
Put this shit back together cause I stay on the grind
Nigga know I gets me I stunt all the time
For the dead and the gone, the young and the grown
O.G. mother fuckers who be getting it on
Niggas stunting and they shining bling blingin all the timin
I hold my hood down for the shit that I'm driving
Nigga thug to death, remember the projects
Juve came back now you bitches upset
Nigga know how we getting it cause we getting it on
Keep it coming, keep it getting, bitch my money is long
