"Talent comes everywhere, everybody's talented
Bet you, fuckin', everybody in this bar is talented at one thing or another
But having something to say
And a way to say it so people listen to it
That's a whole other bag"
(RARE Sound)

Pull up in 'Raris and park on the curb
I got your ho with me, please don't disturb
I got them double C's stuck on my shirt
Your nigga's a buster, your nigga's a hurt
I'm with the gang, we making it work
Pour up the paint, we sippin' that syrup
Look how I came, this drip is superb
Play with my name, you gon' get hurt
Mama knew I was that nigga since birth
Why that little bitch tryna get on my nerve?
I'm getting money, no time for no bird
