If you fuck with me, tell me that you fuck with me
If you locked in, tell me that you locked in
You ain't my main hoe bitch but you top 10
You ain't my main hoe bitch but you top 10

New designer on my feet, this is not in
Heard the nigga is an op, we is not friends
You know I got the percs, bring the box in
You know I got the percs, bring the box in

Fell in love with me, she want my time
Bought some new diamonds, don't gotta shine
Yes I already know she one of a kind
As soon as she leave, I'm on her mind
Ran out of patience, why are we waiting
I gotta thang for you
I'm tryna hang with you
I got the gang here too

Shawty what's the move here
Young nigga on the way like cruise ship
Got too many hoes what to do with them
My brother got a problem, I'm gon shoot with him
Shawty don't know who she fuckin' with
I'm tryna turn it up a little bit
Twenty racks on me, Imma pop shit
Tell ya ex stop poppin, he is not it

Let's make a movie shawty
They cannot school me shawty
I hit up Phipps with a forty
Aye what's your name you foolin' shawty
Drip gotta brainwash
Got me cooking out the same pot
Shawty got good head
Fuck around make her brain pop

If you fuck with me, tell me that you fuck with me
If you locked in, tell me that you locked in
You ain't my main hoe bitch but you top 10

Hey baby girl comin' thug with me

Soon as a fuck nigga fell in love with her
Get the pussy warm good, then I went and fucked with it
Got me callin every day, tryna see what's up with her

She says she don't really trust niggas
And I gotta even got a baby in the club with her
On a perc she a squirt, got all the drugs with me
3 way each day make her friend fall in love with me
I got a thang for you
Pop me a pill make me sing to you
I'm tryna see what that brain will do
Imma knock your fucking brains all loose
It ain't no thing to do
Imma remain the same with you
Imma have to do what I came to do
Rub me too good bitch I came in you

If you fuck with me, tell me that you fuck with me
If you locked in, tell me that you locked in
