

When Your Gone

K. Michelle

I always needed time on my own
I never thought I'd need you there when I cry
And the days feel like years when I'm alone
And the bed where you lie
Is made up on your side
When you walk away
I count the steps that you take
Do you see how much I need you right now?

When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone
all The words I need to hear to always get me through
the day
And make it OK

I miss you!

I've never felt this way before
Everything that I do reminds me of you
And the clothes you left, they lie on the floor
And they smell just like you
I love the things that you do

When you walk away
I count the steps that you take
Do you see how much I need you right now?

When you're gone
The pieces of my heart are missing you
And when you're gone
The face I came to know is missing too
And when you're gone
all the words I need to hear to always get me through
the day
And make it OK
I miss you!

we were made for each other
out here forever
i know we were
all i ever wanted was for you to know
everything i do i give my heart and soul
i can only breath i need to feel you here with me

When you're gone
The pieces of my heart are missing you
And when you're gone
The face I came to know is missing too
And when you're gone
all the words I need to hear to always get me through
the day
And make it OK
I miss you!
