

## River To The Moon

K's Choice

I know there`s a place for us  
A time where we belong  
Somewhere in the universe  
When everybody`s gone  
Or somewhere close to home

And I will go there soon  
Watch me skate  
On a river to the moon

I know there`s a place for us  
Where everything is quiet  
No more call for glory  
And no more need to hide  
And everything is white

And I will go there soon  
Watch me skate  
On a river to the moon

It`s somewhere close to home

And I will go there soon  
Watch me skate  
On a river to the moon
