

# You're Still on My Mind

Kacey Musgraves

The jukebox is playin'  
A honkytonk song  
One more I keep sayin'  
Then I'll go home

What good will it do me  
I know what I'll find  
An empty bottle, a broken heart  
And you're still on my mind

The people are dancin'  
And havin' their fun  
I just sit here thinkin'  
About what you have done

To try and forget you  
I turn to the wine  
An empty bottle, a broken heart  
And you're still on my mind

Alone and forsaken  
So blue I could cry  
I just sit here drinkin'  
'Til the bottle runs dry

What good will it do me  
I know what I'll find  
An empty bottle, a broken heart  
And you're still on my mind

An empty bottle, a broken heart  
And you're still on my mind
