

Why Do You Do It to Me?

Kaiser Chiefs

Didn't know that we'd gotten this far now I'm ready to throw it
.

But we make believe there's nothing wrong with you.
Why do you act so surprised, when you've got it you show it.
When you cry like that and you throw yourself down on the floor
.

Hold me down you're my dead end,
I said show me my mistakes again.
Make me laugh that time you'd thrown me out, thrown me out
Why? Because

Oh, why do you do it to me?
Why do you always try to make me feel like a nobody?
Oh, why do you do it to me?
Why do you always try to make me feel like a nobody?

Didn't know I was part of the show now it's finally over.
And you don't think I can function without you.
Why do you try and disguise it when everyone knows it?
When you kick like that when I'm already down on the floor.

Hold me down you're my dead end,
I said show me my mistakes again.
Made me laugh that time you thrown me out, thrown me out.
Why? Because...

Oh, why do you do it to me?
Why do you always try to make me feel like a nobody?
Oh, why do you do it to me?
Why do you always try to make me feel like a nobody?

(Didn't know we'd gotten this far,
Didn't know we'd gotten this far.)

Didn't know that we'd gotten this far and now I'm ready to throw it.
But we make believe there's nothing wrong with you.
Why do you have to have to surprise her?
When you've got it you show it.
And then you cry like that and you throw yourself down on the floor.

Oh, why do you do it to me?
Why do you always try to make me feel like a nobody?
Oh, why do you do it to me?
Why do you always try to make me feel like a nobody?
