

## Helena's Theme

Kamelot

I remember a song  
From long ago  
Some of the pieces  
They remind me of you  
How could I know  
You were to leave me  
I thought that I was that melody  
Oh so wrong  
I'm but a whisper tonight

And if this is goodbye  
I will leave  
But I'll love you  
Until the end

If the grace of God is real  
And the word of Christ can heal  
Bring their souls to heaven's light  
Bless the unborn child tonight
