Kane

So come on now  
Come on now  
Come on now  
So I'm looking for the rightful let me in  
Kick me hit me don't you know I always win  
Heaven help you  
Heaven knows what's on my mind  
Ooohhh.. as long as you want this  
Here's my answer, here's my one and only truth  
Here's my reason why I give my word to you  
Oh  
So just this once  
I want it all this time  
As far as I remember, the chains were always ending  
But life is never ending  
Oh no I  
So as long as you want this, I have to let you know  
As you want this, I have to let you know  
This much is true  
And I'll never change, I'll never stop  
I'll never change, this time I'm gonna take you down  
Oh come see me oh come hear me, I'm your man  
Oh come feelin' what I give is what I am  
Ooohhh  
Just this once  
I want it all this time  
As far as I remember the chains were always ending  
But life is never ending  
No no, so as long as you want this  
As you want this, I have to let you know  
This much is true  
And I'll never change, I'll never stop  
I'll never change, this time I'm gonna take you down  
Ooohhh take you down ooohhh come on  
No no no no no no  
As long as you want this, I've got to let you know  
If you want this, I got to let you know  
This much is true  
So give it to me, give it to me yeah  
Won't you give it to me, give it to me yeah  
This time I'm gonna take you down
