## **Steady My Heart**

Wish it could be easy Why is life so messy Why is pain a part of us There are days I feel like Nothing ever goes right Sometimes it just hurts so much

But You're here You're real I know I can trust You

Even when it hurts Even when it's hard Even when it all just falls apart I will run to You Cause I know that You are Lover of my soul Healer of my scars You steady my heart (2x)

I'm not gonna worry I know that You've got me Right inside the palm of your hand Each and every moment What's good and what gets broken Happens just the way You plan

But You're here You're real I know I can trust You

Even when it hurts Even when it's hard Even when it all just falls apart I will run to You Cause I know that You are Lover of my soul Healer of my scars You steady my heart (2x)

And I will run to You You're my refuge in Your arms And I will sing to You Cause of everything You are

You steady my heart (2x)

Even when it hurts Even when it's hard Even when it all just falls apart I will run to You Cause I know that You are Lover of my soul Healer of my scars You steady my heart (2x)

I'm not gonna worry

I know that You've got me Right inside the palm of your hand
