

# Waiting for a Star to Fall

Karl Wolf

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah

I hear your name whispered on the wind  
It's a sound that makes me cry  
I hear a song blow again and again  
Through my mind and I don't know why  
I wish I didn't feel so strong about you  
Like happiness and love revolve around you  
Trying to catch your heart  
Is like trying to catch a star  
So many people love you baby  
That must be what you are

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah

I've learned to feel what I cannot see  
But with you I lose that vision  
I don't know how to dream your dream  
So I'm all caught up in superstition  
I want to reach out and pull you to me  
Who says I should let a wild one go free  
Trying to catch your heart  
Is like trying to catch a star  
But I can't love you this much baby  
And love you from this far

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah

I don't like waiting (I'll wait for you...)  
Seems like waiting (I'll wait for you...)  
It's so hard waiting (don't be too long...)  
Seems like waiting (makes me love you even more...)

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms (That's where you belong)

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah  
Waiting

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah  
Oh uh oh uh oh uh oh

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah

Waiting, waiting, waiting  
Waiting, oh yeah  
Waiting, waiting, waiting  
Waiting, waiting, waiting  
Waiting
