

# Come with Me (Pure Imagination)

Karmin

I know a place that I can go  
And nowadays I call it home  
Some argue that it's make believe  
Oh if only their eyes could see

That the forest is full of evergreens  
And that none of the stars are out of reach  
They can shoot us across the canopy  
Make your wishes and count to three

Come with me and you'll be  
In a world of pure imagination  
What we'll see will defy explanation  
There is no life I know  
To compare with pure imagination  
Living there we'll be free if we truly wish to be

I know a world within myself  
Where I don't need nobody's help  
All of the flowers start to sing  
And heat everything that's ailing me

I can do anything without a doubt  
Paint the colors the world would never allow  
Letting go is the only currency  
Make your wishes and count to three

Come with me and you'll be  
In a world of pure imagination  
What we'll see will defy explanation  
There is no life I know  
To compare with pure imagination  
Living there we'll be free if we truly wish to be

Come with me and you'll be  
In a world of pure imagination  
What we'll see will defy explanation  
There is no life I know  
To compare with pure imagination  
Living there we'll be free if we truly wish to be

If you want to view paradise  
Simply look around and view it  
Anything you want to, do it  
Wanna change the world  
There's nothing to it  
There's nothing to it  
There's nothing to it

Come with me and you'll be  
In a world of pure imagination  
What we'll see will defy explanation  
There is no life I know  
To compare with pure imagination  
Living there we'll be free if we truly wish to be

Come with me and you'll be

In a world of pure imagination  
What we'll see will defy explanation  
There is no life I know  
To compare with pure imagination  
Living there we'll be free if we truly wish to be
