

## Little Sparrow

Kasey Chambers

All ye maidens hear me warning  
Never trade the hearts of men  
They will crush you like a sparrow  
Leaving you to never mend  
They will vow to always love you  
Swear no love but yours will do  
Then they'll leave you for another  
Break your little heart in two

Little sparrow, little sparrow  
Precious fragile little thing  
Little sparrow, little sparrow  
Flies sp high and feels no pain

If i were a little sparrow  
O'er these mountains i would fly  
I would find him, i would find him  
And look into his lying eyes  
I would flutter all around him  
On my little sparrow wings  
I would ask him, i would ask him  
Why he let me love in vain

I am not a little sparrow  
I am just a broken dream  
Of a cold, false-hearted lover  
And his evil cunning scheme

Little sparrow, little sparrow  
Precious fragile little thing  
Little sparrow, little sparrow  
Flies sp high and feels no pain
