

## How It Is

Kaskade

I know now why  
I know not how  
How it is  
Yea, it is

No mystery solved  
Equation found  
To explain  
This feeling inside

I feel it now  
I feel for you  
So immense,  
The soul breaks through  
So simple yet  
Something rare  
So intense  
My heart  
You can hear its sound

All this time  
You and I  
So afraid  
So we'd hide  
Yet here we are  
Here we are  
Can't explain  
No need to anymore

I feel it now  
I feel for you  
So immense,  
The soul breaks through  
So simple yet  
Something rare  
So intense  
My heart  
You can hear its sound

You can hear its sound
