King's name, Kingdom of Pain
Sounds great - Satan
Satan the sign
Of Evil power, greed and mad thoughts

It's venom
The venom and snake
Eternal call of truths revealed to me
His first riot and pain

Black hosts of hungry souls Chains thrown off till blood

King's disciple, Kingdom of Pain Your power rises pleasure and taste Of a Black Mess marked with blood

Gives venom
Gives venom and force
Eternal call of truths revealed to me
His first riot and pain

Black Hosts of hungry souls Chains thrown off till blood Black hosts of hungry souls Death It's death and fear Black hosts of hungry souls
