

Mind Cannibals

Kat

Madness spins around me
The race of bloody money

I`ve gotta make it
You`ve gotta take it
And buy some pleasure
From devils

Livin in
Dogmas` time
With the media
Playing gods

Fakes and lies
Dominate
Crime and children
No one cares

Human aliens
Sell the world
Buying minds
Piece by piece - for the cash
Suck our brains
Mind dannibals

Livin in
The house of gods
Whereheretics celebrate

Human aliens
Sell the world
Buying minds
Piece by piece for cash
Suck the brains
Mind cannibals

We are living
In the world of hypocrisy
So don`t be bilnd, raise up againnt

Sings of the snake on the heven`s gate
Like omens of the judgment day
Media`s eye runs in mortal haste
Afraid of dying planet`s carnage of the vengeance

Human aliens
Sell the world
Buying minds
Piece by piece for cash
Suck the brains
Stealing souls
Mind cannibals
