

all the white lights falling

the blue lights are falling
night is warm
came down with a promise
I have my best shirt on
I lower myself now
it is a way to forget
of last year's failure

WILL THE STREETLIGHTS REFLECT ME WELL ENOUGH
AM I TRANSPARENT WHEN I AM CLEAN
WILL THE DARKNESS AROUND ME BE SO STRONG
THAT THERE IS NO WAY I CAN BE SEEN

boys will we become
heroes of this night
or am I just happy
whenever not sober
I cleaned myself well
clean today

and when I pause for a breath
I see millions like me
