

Deluded

Kate Miller-Heidke

River
That floats between us
Yeah it's between us
Shiver
Sweet soft electric
We're so connected

Don't you wanna tell me how you feel
Don't you, don't you wanna tell me how you feel
Don't you ever say it isn't real
Don't you, don't you ever say it isn't real

Don't you wanna tell me how you feel
Don't you, don't you wanna tell me how you feel
Don't you ever say it isn't real
Don't you, don't you ever say it isn't real

So maybe I'm deluded
So get deluded with me
(La la la la, la la la la)
Yeah get out of that cool head
Suspend your disbelief
(La la la la)
It's way more fun to to be
Deluded
(La la la la la la)
Deluded
(La la la la la la)

Messages
I never send you
'Cause I never have to
(Don't you wanna?)
Passages
Do you read me?
Are you're receiving?

Don't you wanna tell me how you feel
Don't you, don't you wanna tell me how you feel

So maybe I'm deluded
So get deluded with me
(La la la la, la la la la)
Yeah get out of that cool head
Suspend your disbelief
(La la la la)
It's way more fun to to be
Deluded
(La la la la la la)
Deluded
(La la la la la la)
Deluded
(La la la la la la)
Deluded
(La la la la la la)
Deluded
(La la la la la la)

Don't leave me hanging

Don't leave me hanging
Don't leave me hanging with my hand in the air
Don't leave me hanging
Don't leave me hanging
Don't leave me hanging with my hand in the air
Don't leave me hanging
Don't leave me hanging
Don't leave me hanging with my hand in the air
Don't leave me hanging
Don't leave me hanging

So maybe I'm deluded
So get deluded with me
(La la la la, la la la la)
Yeah get out of that cool head
Suspend your disbelief
(La la la la)
It's way more fun to to be
Deluded
(La la la la la la)
Deluded
(La la la la la la)
Deluded
(La la la la la la)
Deluded
