

99 Times

Kate Voegele

Em

So, you see

Bm

C

D

You've got me back again for more

Em

And it seems

Bm

C

D

Your song is in my head, this is war

Em

Mystery

Bm

C

How I could feel you breathe me

D

Em

I was sure you would keep

Bm

Every promise

C

D

You would keep every word

Am

Bm

Well I tried to put your stories in line

C

D

But nothing adds up right

Em

For every 99 times

Am

You looked me in the eye,

C

You looked me in the eye

D

And swore you weren't lying

Em

Well I was so blind

Am

I never saw the signs

C

I'm getting out tonight

D

And you're not invited

Em Bm (ah ah, oh oh) x2

Em

It's a shame

Bm

C

D

That you left me hanging like you did

Em

It was brave

Bm

C

But it was much more foolish

D

Don't you think?

Am

Bm

'Cause you know I won't be satisfied

C **D**
Until you realize

Em

For every 99 times

Am

You looked me in the eye,

C

You looked me in the eye

D

And swore you weren't lying

Em

Well I was so blind

Am

I never saw the signs

C

I'm getting out tonight

D

And you're not invited

C

These things are oh so typical

Em

But these things are unforgivable

D

Em

I'm gone and you're invisible now

C

Don't let me catch you following

Em

Don't ask 'cause I'm not offering

D

B

You've caused enough of my suffering, oh

Em

For every 99 times

Am

You looked me in the eye,

C

You looked me in the eye

D

And swore you weren't lying

Em

Well I was so blind

Am

I never saw the signs

C

D

I'm getting out tonight

Em

For every 99 times

Am

You looked me in the eye,

C

You looked me in the eye

D

And swore you weren't lying

Em

Well I was so blind

Am

I never saw the signs

C

I'm getting out tonight

D

And you're not invited
