

# Beg You to Fall

Kate Voegele

So you set out to find the sky like a rocket ship  
And from on this ground you looked so fine  
You insisted you weren't drifting away  
Someday you'd be back to take me with you, oh whoa  
But now you've better things to do

And I don't wanna stand here and beg you to fall  
'Cause one day you'll see I was worth it all  
But down on my knees ain't where I need to be  
I'm gone, ain't gonna beg you to fall  
Oh, whoa, mm, yeah

Oh maybe one day you'll arrive  
Like you never left  
And find out that while you were learning to fly  
Well you taught me the best  
Damn lesson, oh, oh  
Now I'll never waste a second on talking you into loving me  
My breath is far too precious, oh, oh

And I don't wanna stand here and beg you to fall  
'Cause one day you'll see I was worth it all  
And down on my knees ain't where I need to be  
I'm gone, ain't gonna beg you to fall

For me if your heart's not in it  
But could you make sure you break me gently  
Oh 'cause you're everything I've been living for  
Well not anymore

And I don't wanna stand here and beg you to fall  
One day you'll see that I'm worth it

Oh, oh I don't wanna stand here and beg you to fall  
'Cause one day you'll see I was worth it all  
And down on my knees ain't where I need to be  
I'm gone, oh ain't gonna beg you to fall

Oh oh oh  
Don't wanna beg you to fall
