

# Chicago

Kate Voegele

I've never known you  
But I'm no stranger to this feeling  
I know it's over  
But the hurt's not

What do you call it  
When broken hearts are not done healing  
You threw down your cigarette  
But it's still hot

Well I've learned a lot  
And here's what I've got

Well didn't I think you would always love me?  
And didn't I want you to take care of me, baby?  
Well that ain't happening, no  
And wouldn't I love just to rise above this?  
You've gotta believe I've suffered enough to be free  
So I'm officially leaving  
A kiss on the cheek and I'm gone-  
I'll be on the seven o'clock  
Oh, oh, the seven o'clock to Chicago

It's never easy  
Breaking this old addiction  
I've got the reason  
But no rationale

I wanna hate you  
Cause you don't give me no conviction  
Your betrayal oughta make this breakdown  
No trouble at all

So let the rubble fall  
Cause I'm running off

[Chorus]

I'll be on the seven o'clock to Chicago  
I ain't got no second thoughts because I know I'm  
On my way to the top  
I'm on my way, yeah

[Chorus]
