

Impatient Girl

Kate Voegele

I been holding on for eternity
Waiting on your love
I let you lead me on so perfectly
Well I think I've had enough
I'm tired of dancin' around it
I'm not wired that way
I'm getting fired up thinkin' about it
Gotta be honest

I ain't never been a patient girl baby
I ain't built like this
The way you're takin' your time has got me jumpin' ship
And I won't lie let's call this what it is
An impatient girl waiting on an empty wish
I'm an impatient girl

Baby I'm allowed to want an answer now
Wouldn't you say that's fair
Can you help me out
'Cause I'm breaking down
Do you even care
That I'm losing my mind every minute
Don't you do me like that
Don't you know you're pushing my heart to the limit
Won't you listen

I ain't never been a patient girl baby
I ain't built like this
The way you're takin' your time has got me jumpin' ship
And I won't lie let's call this what it is
An impatient girl waiting on an empty wish
I'm an impatient girl

And I won't spend the rest of my life
Hoping for a sign
You can't just leave me out to dry

Oh I ain't built like this
The way you're takin' your time has got me jumpin' ship
And I won't lie let's call this what it is
An impatient girl waiting on an empty wish

Oh I ain't built like this
The way you're takin' your time has got me jumpin' ship
And I won't lie let's call this what it is
An impatient girl waiting on an empty wish
I'm an impatient girl
I'm an impatient girl
An impatient girl waiting on an empty wish
