

Love Divine (Hyfrydol)

Katherine Jenkins

Love divine, oh, love excelling
Joy of heaven to earth comin' down
Fixed in us Thy humble dwelling
All of Thy faithful mercy's crown

Jesus, Thou art all compassion
Pure and bounded love Thou art
Visit us with Thy salvation
Enter every trembling heart

Come Almighty, true deliver
Made us all and Thy life receive
Suddenly return and never
Never more Thy temples leave

Thee we would be always blessing
Serve Thee as Thy hosts above
Pray and praise Thee without ceasing
Glory in every perfect love

Finish then my new creation
Pure and spotless let us be
Let us see Thy great salvation
Perfectly restored in Thee

Sheets of glory into glory, 'til in heaven we take a place
'Til we cast our crumbs before Thee, lost in wonder, love and p
raise
'Til we cast our crumbs before Thee
Lost in wonder, love and praise
