Love Divine (Hyfrydol)

Katherine Jenkins

Love divine, oh, love excelling Joy of heaven to earth comin' down Fixed in us Thy humble dwelling All of Thy faithful mercy's crown

Jesus, Thou art all compassion Pure and bounded love Thou art Visit us with Thy salvation Enter every trembling heart

Come Almighty, true deliver
Made us all and Thy life receive
Suddenly return and never
Never more Thy temples leave

Thee we would be always blessing Serve Thee as Thy hosts above Pray and praise Thee without ceasing Glory in every perfect love

Finish then my new creation
Pure and spotless let us be
Let us see Thy great salvation
Perfectly restored in Thee

Sheets of glory into glory, 'til in heaven we take a place 'Til we cast our crumbs before Thee, lost in wonder, love and p raise

'Til we cast our crumbs before Thee Lost in wonder, love and praise
