

# Make Me Believe

Katie Armiger

I sit alone on the edge of my bed  
Think of you and the words you said  
Keep runnin' through my head  
Do you want to leave  
Or do you want to stay  
Cause I can still walk away

'Cause I'm down on my knees  
Don't you feel anything  
'Cause I'm tired of tryin' to be  
Everything that you can't see  
Make me believe  
Make me believe

You said I could never love you  
I'm not strong enough but you  
Can't keep runnin' from the truth  
In the end its always you  
It's always you

'Cause I'm down on my knees  
Don't you feel anything  
'Cause I'm tired of tryin to be  
Everything that you can't see  
Make me believe  
Make me believe

Letting go shouldn't be so hard  
But loving you tore me apart

'Cause I'm down on my knees  
And I can't feel anything  
And I'm tired of tryin' to be  
Everything that you don't see  
I need to believe  
I need to believe

Why can't you ever see  
Everything you do to me  
Because we were never meant to be  
I believe that you should just leave

Just leave
