

Going Down to Liverpool

Katrina and the Waves

Hey now
Where you going with that load of nothing in your hand
I said, hey now
Through this green and pleasant land.

I'm going down to Liverpool to do nothing
I'm going down to Liverpool to do nothing
I'm going down to Liverpool to do nothing
All the days of my life
All the days of my life

Hey now
Where you going with that UB40 in your hand
I said, hey now
Through this green and pleasant land

I'm going down to Liverpool to do nothing
I'm going down to Liverpool to do nothing
I'm going down to Liverpool to do nothing
All the days of my life
All the days of my life

Hey now
Where you going with that UB40 in your hand
I said hey now
Through this green and pleasant land

I'm going down to Liverpool to do nothing
I'm going down to Liverpool to do nothing
I'm going down to Liverpool to do nothing
All the days of my life
All the days of my life
