

# Waking Up In Vegas

Katy Perry

You gotta help me out  
It's all a blur last night  
We need a taxi 'cause your hung over and I'm broke

I lost my fake ID  
But you lost the motel key  
Spare me your freakin'  
Dirty looks now don't blame me

You wanna cash out  
And get the hell outta town  
Don't be a baby  
Remember what you told me

Shut up and put your money where your mouth is  
That's what you get for waking up in Vegas  
Get up and shake the glitter off your clothes now  
That's what you get for waking up in Vegas

Why are these lights so bright  
Did we get hitched last night  
Dressed up like Elvis  
Why am I wearing your class ring  
Don't call your mother  
'Cause now we're partners in crime

Don't be a baby  
Remember what you told me  
Shut up and put your money where your mouth is  
That's what you get for waking up in Vegas  
Get up and shake the glitter off your clothes now  
That's what you get for waking up in Vegas

You got me into this  
Information over load  
Situation lost control  
Send out an S.O.S.  
And get some cash out  
We're gonna tear up the town

Don't be a baby  
Remember what you told me  
Remember what you told me  
Remember what you told me told me told me

oooooo yeah

Shut up and put your money where your mouth is...

That's what you get baby  
Shake the glitter  
Shake shake shake the glitter  
Get me some cash out baby  
Get me some cash out baby
