

I'm Amazing

Keb' Mo'

Brother,
I need to talk to you
This might sound strange
And you'll probably think I'm crazy and I've lost my
mind,
Well, okay
I'm amazing; I'm incredible
I'm a miracle, a dream come true
I'm marvelous; I'm beautiful
Guess what?
So are you.

People,
It's becoming clear
I can feel it down in my soul.
I know that I am you and you are me.
Uh-oh.
And I'm grateful for the simple things
That we take for granted every day
Listen,
I can walk I can talk, I can use my mind.
Okay.
I'm amazing; I'm incredible
I'm a miracle, a dream come true
I'm marvelous; I'm beautiful
Guess what?
So are you.

That don't mean we're better than anyone or anything
It's a call to come together and accept responsibility
And be amazing, incredible
You're a miracle, a dream come true
And I'm marvelous; I'm beautiful
Guess what?
So are you.
