

# Cold Day In Hell

Keel

Dream stealer - disbeliever  
Don't take a chance on me  
High risk - I'm a shot in the dark  
I come easy but I don't come free

Shot down - I been kicked  
in the teeth  
Called crazy - call me a fool, yeah  
Lay the odds, roll the dice  
I'm gonna break all the rules

It'll be a Cold Day In Hell  
When frozen eyes cast a spell  
On a Cold Day In Hell  
How much of your soul can you sell

Empty eyes of heartless friends  
The night is mine again  
Bitter streets of evil stares  
No one listens, no one cares

But cold steel is made to last  
And chains of gold are broken fast  
This cold city ain't freezin' me  
I'll be what Y wanna be

Get ready to go  
Or get out of my way  
I'm not takin' a free ride  
I'm hot on a Cold Day In Hell
