

# Proud To Be Loud

Keel

Listen up good  
I got a lot to say  
I know what I want  
And I get my own way  
I call 'em as I see 'em  
I don't play by the book (No I Don't)  
One dose of valium  
That's all it took  
I've seen it, I've done it  
I've heard it before  
Now it's my turn  
To settle the score  
I'll sing it, I'll shout it  
I'll say it again  
I don't care if they  
Never give in cause I'm

PROUD TO BE LOUD  
PROUD TO BE LOUD  
YOU KNOW I'M PROUD  
PROUD TO BE LOUD

Well I've always believed  
In freedom of speech  
And I've always been the one  
To practice what I preached  
LOVE IT OR LEAVE IT  
I'll give you the choice  
But it'll snow in hell  
Before I lower my voice (Yes it will)  
I live it, I breathe it  
I gotta have more  
It's full blast  
And this means war  
The power, the glory  
Its callin' my name  
I won't start to  
Play their game cause I'm

PROUD TO BE LOUD  
PROUD TO BE LOUD  
I'M PROUD TO BE LOUD  
AND I'LL NEVER  
TURN IT DOWN HELL NO!!  
PROUD TO BE LOUD  
PROUD TO BE LOUD  
I'M PROUD,  
PROUD TO BE LOUD
