

So Many Girls, So Little Time

Keel

She's so cruel, she's so wild
She's not much more than a child (yeah)
This ain't no dream, I'm not Mr. Right
Baby, I'm not your shining knight

So many girls, so little time
I can't help it, I can't help it
They're on my mind

So fine if that's at stake
Gonna put my log in your fireplace
No promises, and I'll tell no lies (lies)
But the truth lies babe, before your eyes
